

Tech Day 2024

The Paper Dress

Eligibility

Three on a team –2 designers and model

Three teams per school

Time Limits

15 Minutes to design garment (sketch)

One hour to create garment

Procedure

1. Participants report to the event area at the time and place stated on the conference map and program.
2. The event coordinator explains information, instructions, and deadlines to all teams.
3. Each team brings allowed supplies for event.
4. Designers and model can work together
5. Students need to know the different fashion eras.
6. Topic to be chosen on site by judges.
7. Event Coordinator will keep track of time and inform participants of time remaining.
8. Entries are reviewed by judges. Neither students nor advisors are present at this time.

Regulations

- A. No phones are allowed during the event.
- B. Participants follow time limits and instructions.
 1. Teams are not allowed to begin construction during 15 minutes allotted sketch time.
 2. Teams have an hour to work and finish garment construction.
 3. When time is called participants must stop working on their garment and step away immediately.
 4. Participants may not disturb any event in progress, enter a restricted evaluation area,

interrupt a conference function, or participate in behavior unbecoming of a conference participant.

5. At the event meeting, the event coordinator will explain any further restrictions of the event.
6. Failure to follow these instructions will result in disqualification.
- C. Teams will get in line for judges' evaluation.
- D. All event participants will work together to leave event area clean.

Evaluation

Judging will be based upon degree of resemblance to theme.

Fit of garment, creativity, originality, level of difficulty , zipper closure and does it move like an actual garment.
